NDORS UK / Speed Awareness Course in Moldova

NDORS - National Driver Offender Retraining Scheme :

The course aims to contribute towards safer communities by increasing intention to drive at an appropriate speed within the speed limit

The purpose of the pilot project in Moldova: to support the rule of law in road policing, and enhance the effectiveness of police speed enforcement in Moldova.

Project milestones:

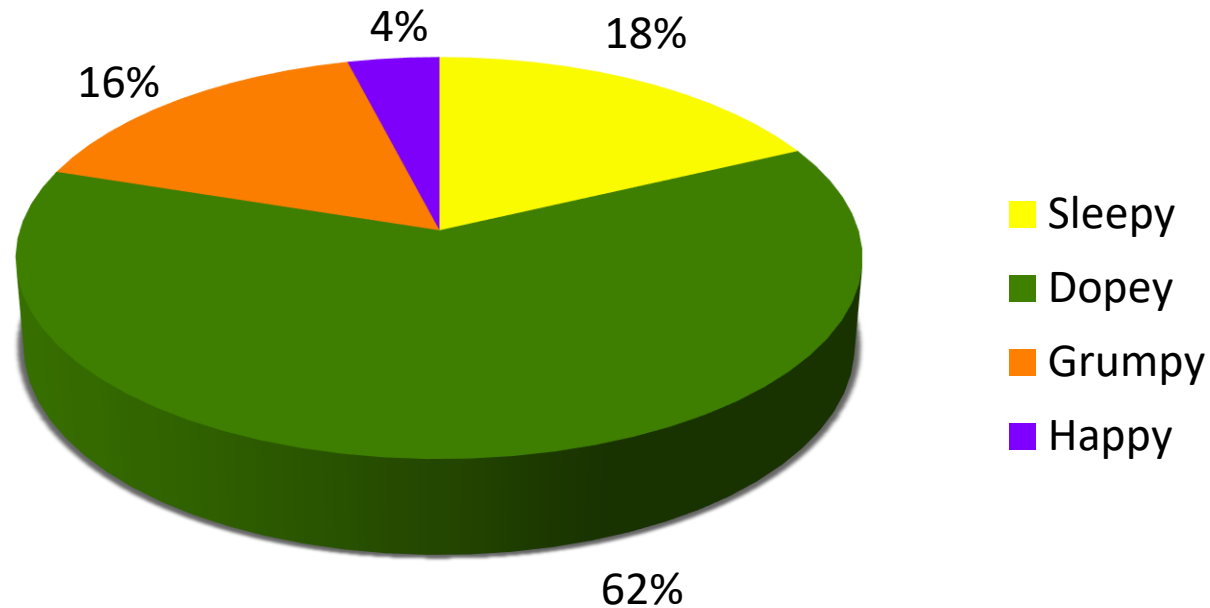

Study visits to UK ➡ Survey ➡ Pilot Course in MD

PARTNERS: EASST, ACM, US EMBASSY, TRACECA II Road Safety, IT Dept of MIA in Moldova

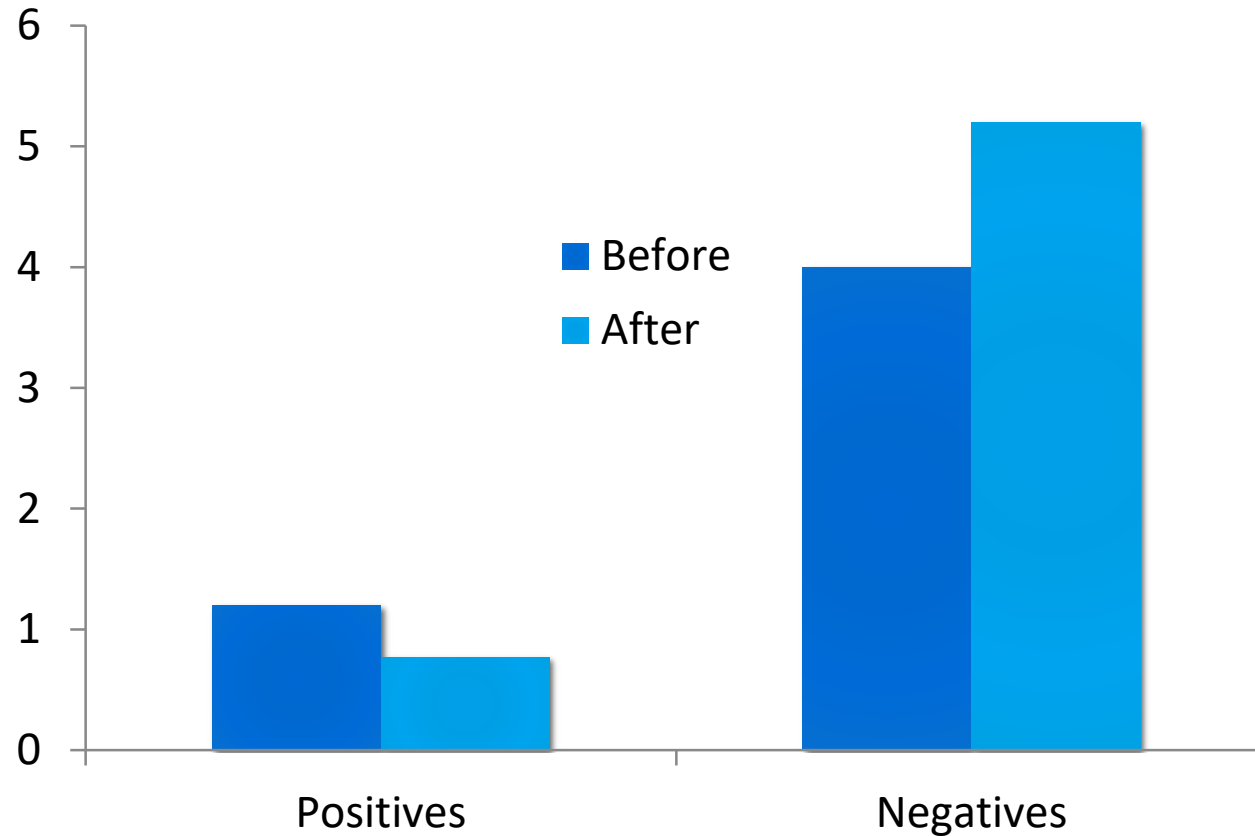

Speed Awareness Course in Moldova

Survey of 198 speed offenders in Moldova carried out by the Moldovan police

Pilot Speed Awareness Course in Moldova: Results

Significantly fewer positives and significantly more negatives of speeding

Pilot Speed Awareness Course in Moldova: Results

Report: covers EASST's work with the UK's National Driver Offender Retraining Scheme (NDORS) to deliver a pilot Speed Awareness Course in Moldova.

This was the first time that NDORS has approved delivery of its courses outside the UK.

Legislative amendments in the Contravention Code of the Republic of Moldova
