About the WBG Community of Practice Toolkit

The [Community of Practice Toolkit](#) is a collection of knowledge articles, practical examples, checklists, templates, and other resources to help community managers develop impactful Communities of Practice (CoPs). It is a knowledge product published by the World Bank Group in 2021.

The Toolkit consolidates the experience and learning of [Communities Reinvented](#), a program and team of the World Bank Group which enables teams and departments to create and sustain Communities of Practice in a way that fosters learning, collaboration and innovation to drive real development impact.

Share the Toolkit with your networks: it is a public resource published under a [Creative Commons Attribution 4.0 International license](#). The Toolkit is aimed at helping anyone interested in building Communities of Practice with a focus on International Development.

Watch a video introduction

Watch [an informative video](#) providing an overview of the community building tools available in the Toolkit. The video includes captions and video chapters allowing you to skip to the parts most relevant to you. Additional resources are linked in the video description.

Learn more about Communities of Practice

For questions about CoPs, see this [Frequently Asked Questions \(FAQs\)](#) page with advice and practical tips for building communities. For peer-support, join [Communities4Dev](#), a Community that brings together CoP enthusiasts with the purpose of helping each other develop impactful CoPs in the International Development sector. For ad-hoc support such as coaching and training, [ask a question on Communities4Dev](#) indicating that you need support, and a certified trainer will get back to you.
