Approach to Curriculum Development  
and Trade opening

MoE-DM-TVET has been following 3  
different approaches to Curriculum  
Development...

# 1: Bottom-up Approach

- Proposal is developed by people of the community like:
  - Elders
  - School teachers and Principle
  - Shuras
  - Mullahs
  - TVET deputy director
  - PED

## 2: Top-down Approach

- In this approach, mainly the directorate of Curriculum Development of DM-TVET is involved.
- This directorate, study other countries curriculum of the specific trade and based on that model, develops the curriculum.
- Or sometimes a professional of the curriculum suggest a specific curriculum

# 3: Labor Market Analyses and Demand Driven Approach
