Davit Gamkrelidze

State Treasury, Head of the Cash Forecasting and Management

In order of priority, what are the most important secondary impacts in the country?

Many More Households
Falling into Poverty

A Surge in Migration

A Banking and Currency Crisis

A Disorderly Change of
Government

Civil Strife

The screenshot shows a web browser window with the URL pollev.com/trg123. The page title is "trg123's presentation". On the left, there is a "Welcome to trg123's presentation!" section with an "Introduce yourself" form. The form asks for a screen name and has "Continue" and "Skip" buttons. Below the form, it says "Using a screen name allows the presenter and other participants to attach your screen name to your responses. You can change your screen name at any time." On the right, there is a poll question: "In order of priority, what are the most important secondary impacts in the country?". Below the question is a list of options: "Many More Households Falling into Poverty", "Civil Strife", "Banking and Currency Crisis", "Disorderly Change of Government", and "Surge in Migration". At the bottom of the poll is a "Submit response" button.

We'll use Poll Everywhere for this poll.

Go to PollEv.com/trg123 using your phone or computer to answer. For your first answer, you'll need to enter your name or choose "Skip" to stay anonymous.

FORUM

COVID-19 Health Financing Resilience Program Community of Practice (CoP)*

- **Hosting weekly CoP learning round up sessions** to provide a facilitated space to:
 - Talk about the key themes that emerged from sessions
 - Learn about the experiences of other practitioners dealing with these topics
 - Identify issues that they would like to explore more deeply and add to the CoP learning agenda
- **Join the COVID-19 HFRP CoP to:**
 - Connect with other participants at the forum one on one
 - Access Q&A following each session
 - Chat on dedicated session discussion boards

This Friday morning from 8:00-9:00 AM EST, 100 Max Participation

**The COVID-19 HFRP Community of Practice (CoP) is a joint initiative of The World Bank, the Global Financing Facility (GFF), and the Revisiting Health Financing Technical Initiative of the Joint Learning Network (JLN), in coordination with P4H and other partners.*
