OUR VISION

San Isidro is an aging friendly district that offers a network of infrastructure and activities which enables a social, active and healthy lifestyle.
What have we learned?
What will we do?

MOBILITY

HEALTHY LIFESTYLE

SOCIAL INTEGRATION
What can we do now?
What do we need?

Technical and financial cooperation from the World Bank involving:

Technical assistance for:

- Identification of international best practices
- Definition and implementation of institutional arrangements and municipal reorganisation
- Preparation and implementation of a comprehensive strategy for healthy elderly lifestyle
- Cooperative schemes with other city governments, neighboring districts and research institutions.

Resources (loan) for acquisition of goods and services (buses, equipment for centers) and hiring of consultants

Duration of the Project: 4 years
