You never know who you are going to meet...

TDLC Engagement Eco-System

You are HERE!

Development Shark Tank

SHARK TANK

Development Shark Tank

“Money Tigers” - Japan

Value of Shark Tank “Pitch Competitions”

- Development and articulation of practical approaches/priorities/next steps
- Identification of hidden challenges/opportunities and solutions
- Consensus building testing w/ various potential collaborators
- Expert advice from different perspectives
- Safe environment to explore and consider opposing views/priorities
- Provides a draft roadmap and “pitch” to solicit support from others

What to Cover?

- SLIDE 1: **Key takeaways** from the Technical Deep Dive
- SLIDE 2: **What needs to be accomplished** to address the pressing challenges you are facing
- SLIDE 3: **Short-term, Medium-term, and Long-term actions to be taken w/ milestones**
- SLIDE 4: **Barriers (Challenges)** in implementing your action plan
- SLIDE 5: **Lending and TA** – Activities currently active or needed
- SLIDE 6: **Support needed** from the World Bank / TDLC / Research (Institutions, experts, other delegations....research/briefs etc.)

Structure:

- Presented by 1 Client per Delegation
- No more than 7 minutes per pitch
- Up to 7 slides

Simplified Objective:
Convince everyone that sees your Action Plan to be an advocate and subscriber to your objective.

No Sleepy Presentations

Mobilizing Japanese Expertise through TDLC

- ❑ Deployment of Japanese expertise to Bank operational projects, assisting in removing barriers that prevent clients from utilizing Japanese expertise.
- ❑ Support and facilitate delivery of knowledge, capacity building, and advisory services, particularly on a just-in-time basis, in conjunction with Bank operational projects.
- ❑ Identifying operational linkages and opportunities both at the upstream stage and at the project implementation stage.

Potential Modalities for Operational Support
