smart moving cities

Welcome in Kampala!
Could have booked an Uber but prefer this way.

Smart Moving Cities

MOVE Mobility, experts in sustainable transport

Tonny Bosch, senior advisor with more than 12 years experience in sustainable mobility and transport planning abroad. Knowledge exchange - Learning both directions!

Three networks

If you plan for bikes you have to plan for the other modes as well!

Stakeholder involvement

Stick to the plan!
Reward will come in the Smart Moving Kampala
